

Job Title	Product Manager
Company/Department	Amadesa, Inc.
Location	Ramat Gan
Reports to	VP, Product Management
Type of position	<input checked="" type="checkbox"/> Full-time <input type="checkbox"/> Part-time <input type="checkbox"/> Contractor <input type="checkbox"/> Intern / Student

JOB DESCRIPTION

Amadesa is seeking a Product Manager responsible for product planning and execution throughout the product lifecycle, including: gathering and prioritizing product and customer requirements, working with other members of the product team to define the product vision, and working closely across multiple disciplines such as research and development engineering, sales and marketing and client support to ensure revenue goals are met. You will also serve as the internal and external evangelist for your product offering, occasionally working with the sales channel and key customers.

WORK EXPERIENCE REQUIREMENTS

The Ideal candidate will possess:

1. Minimal two years of prior product management experience
2. Knowledge of SaaS solutions
3. Comfort with discussing technology, algorithms, business models and positioning statements
4. Demonstrated success launching superior products in the marketplace

EDUCATION REQUIREMENTS

Computer science or Engineering degree preferred. MBA a plus

OTHER REQUIREMENTS

1. Ability to think critically
2. A self-starter mentality
3. Excellent English - written and verbal skills
4. Proven ability to influence cross-functional teams without formal authority
