Type of position	<input checked="" type="checkbox"/> Full-time <input type="checkbox"/> Part-time <input type="checkbox"/> Contractor <input type="checkbox"/> Intern / Student

JOB DESCRIPTION

Do you know a talent with **PASSION** for creating great products that touch billions of consumers and thousands of businesses? We're looking for a **GREAT PRODUCT MANAGER** that has proven **LEADERSHIP** experience and **BUSINESS** orientation combined with **TECHNICAL** product skills and background in e-commerce or online marketing.

LivePerson (NASDAQ:LPSN) is a fast growing SaaS company, which is expanding in new ways, with significant presence in Israel, and more than 8,000 customers of all sizes, to include Verizon, British Telecom, Bank of America, HSBC, Hewlett-Packard, Microsoft and IBM.

WORK EXPERIENCE REQUIREMENTS

- 4-5 years of Product Management experience in the areas of analytics-driven marketing suites with knowledge in web technologies and good understanding of e-commerce. SaaS is an advantage.
- Excellent written and verbal communications skills as well as project management expertise with a sense of ownership and the ability to lead a team while managing complex projects.
- Experience with structured product development methodologies. Agile/SCRUM is an advantage.
- Detailed / analytically oriented. Creative and self-motivated with the ability to work independently in a team with aggressive timetables

EDUCATION REQUIREMENTS

- BA/BSc, preferably engineering or computer science. MBA is an advantage
